Why Choose Swanstone?

DURABLE

Swanstone is compression-molded and will not crack or craze. It's easy to clean and will not mold or mildew.

IMPERVIOUS

Swanstone is impervious to damage from common household culprits. Cannot be permanently stained.

HEAT RESISTANT

Heat-resistant to 450 degrees. Heating elements will have no affect on Swanstone.

STRONG

Swanstone is impact-resistant. Five times stronger than other solid surfaces, Swanstone won't break.

QUALITY

Swanstone is your best value for commercial applications and is backed by a 10-year limited commercial warranty. Swanstone is proudly made in the USA.

Swanstone is GREENGUARD GOLD Certified by UL Environment. Our products meet rigorous and comprehensive standards for low emissions of VOCs into indoor air.
