

Performix ProTrench

Code Compliant & High Performance
Professional Trench Drain Shower Pans

Quick Installation

- Provides faster installation over tile and grout
- No slab recessing required
- Lightweight but strong

Easy Maintenance

- Impact, heat, chemical, mold resistant
- Easy to clean, maintain and repair
- Removable snap-in trench grate allows easy access to drain for cleaning

Beautiful

- Stylish patented wall-to-wall trench grate keeps the water in shower
- Matte finish with minimalistic and modern details
- Coordinates with other solid surface products: wet walls, vanities and wall protection

ADA Compliant
