

Swanstone Single Threshold Shower Pans With Fit-Flo™ Drain

Manufactured from Swanstone solid surface
(See page 2 for detailed information.)

WARRANTY
Limited Lifetime – Residential
Limited 30-year – Commercial

Recommended for high-use traffic areas and commercial surfaces.

FEATURES

- Reinforced solid surface means color and texture run all the way through and cannot wear away.
- Will not mold or mildew, no grout to clean.
- Coordinates with Swanstone shower and bath systems.
- Textured, slip-resistant surface.
- Low 3" threshold

Model	A	B	C	D

MAINTENANCE AND CLEANING INFORMATION

Clean regularly with common household liquid cleaners and a sponge or soft cloth. For hard water stains, scale removers can be used. If necessary, abrasive cleaners can be used with a nylon brush or pad to remove build up on the shower pan surface. **Do not** use a metal-scouring pad or a wire brush, as it will damage the surface. **Do not** use "leave on" cleaning products, such as automatic spray shower cleaners. Prolonged contact with harsh chemicals could have an adverse reaction over time and discolor surfaces. **Do not** use cleaning agents that caution use on acrylic, polyester or plastics.
